Dear Forest User:

I am withdrawing my March 20, 2008 Decision Memo on the Newlan Bugs Applied Silvicultural Assessment project. In the event we propose a new project in this area, we will complete appropriate environmental analysis and public involvement, and issue a new decision.

If you have any questions regarding the withdrawal of this decision, you can contact me or Steven Martin at 406-632-4391.

Sincerely,

Acting for
CAROL HATFIELD
District Ranger
